A Card of Thanks.

To the Democrats of Noxubee County:
I wish to thank the people of the
county for courtesies extended to me
while canvassing, and for the handsome
vote they gave me for Chancery Clerk
in the primary held on the 22nd inst.,
being the largest majority given any
candidate for a county office in the
county ever.

I am aware of the nature of the high
and responsible duties of the office to
which I have been elected, and it is my
purpose to serve you faithfully and
well, and whenever it shall be in my
power to serve in any way, any citizen
of the county, in the office to which
I am elected, he may command me.

I wish publicly to thank my opponent,
Capt. W. H. Holman, for his prompt
and generous congratulations extended
to me on the night of the election.
Again thanking each and every one
of those who so generously espoused
my candidacy, and with nothing but
feelings of friendship and good will for
every one, I am,

Gratefully yours,
Aug. 30, 1907. JOHN A. TYSON.

Like Old Times.

Mr. Geo. Waller of Crawford and Mr.
W. A. Chestnut of Prairie Point gave
a barbecue this week to the tenants on
the Stewart place in honor of Claude
and Anthony Stewart, who had been tenants
on the above-named place for more than
fifty years.

Mr. and Mrs. W. B. Patty and Nancy
returned from Greenwood Springs Sun-
day.

Mrs. H. A. Minor left Thursday for
Columbus.

Mrs. Geo. Richardson and Mary Em-
ma are visiting in Courtland, Ala.

Prof. Edward Price left Tuesday for
Fort Worth, where he will teach in the
Polytechnic college.

Dr. G. B. Clement was in Okolona
the first of the week.

Mr. W. M. Lamberson left this week
for New York to purchase his fall and
winter stock of goods.

Patty Dry Goods Company.

The Patty Dry Goods Co. is no longer
a conspicuous figure in the business cir-
cles of Macon. This firm, composed of
Mr. Jno. W. Patty and two of his sons,
Robert and Edmund, left this week for
Frederick, Ok., where they will con-
tinue the mercantile business under the
same name. Mr. Patty has, for nearly
thirty years, been one of the leading
merchants and business men in East
Mississippi. His prompt attention to
business and sterling integrity of char-
acter won for him the confidence of the
public and through that confidence and
patronage which it always brings he
has achieved success.

We have not only lost a prominent
business firm but a citizen above re-
proach, a Christian gentleman and one
whose genial nature and moral worth
makes him a useful member of society.
Robert and Edmund are worthy sons of
their sire and give promise in future
years of making the same useful citi-
zens and splendid business men as their
father. Oklahoma has reason to con-
gratulate herself on such citizenship
and it is with pleasure we commend
them to the good people of Frederick.

Notice!

Prof. P. P. Garner has received in-
formation that rooms, beds and
mattresses will be furnished at the
Farmer's "B" at a rate of five cents
per day. However, they will be expected to
bring pillows, pillowcases, sheets and
such other covering as they may need.
Those coming through the country
will be provided pasturage and a place
for keeping their stock.

If you own old accounts don't buy
more on credit. We may not refuse
you for policy sake but we need the cash.

Owens-Tyson.

Married Wednesday afternoon at the
residence of the bride's father, by the
Rev. H. M. King, Miss Mary F. Tyson
and Henry L. Owens. Immediately
after the ceremony they left for St.
Louis.

No wedding has taken place in Ma-
con for many years that gives promise
of a brighter future as the one in ques-
tion. Miss Mary is one of the most
charming and accomplished young ladies
that our city can boast and Mr. Henry
Owens is a young business man whose
success in business circles give assur-
ance of a successful future. Young,
handsome, full of energy, and the con-
fidence of the public in his capability
will soon place him at the head of the
business circles of our city.

THE BEACON extends congratulations
to the happy couple and wishes them a
long and prosperous life.

A Card of Thanks.

I desire to express my heartfelt
thanks to the Democratic voters of Nox-
ubee county for nomination to the of-
fice of Tax Assessor. I desired the of-
fice very much and more than appre-
ciate the honor. My success is all the
more gratifying since I was not able to
make a complete canvass.

Very respectfully,
aug. 28, 1907. A. C. FANT.

county but now of New Orleans, who
has been the guest of Miss Lillie De-
rro for the last ten days, left today for
Summersville where she will spend the
rest of the summer season at Dr.
Prince's. Miss Greer is well known in
Macon as she has many friends here.

Mr. Troy Cole was in town Thursday.
He was just back from a visit to his
niece at Aliceville, in Pickens county,
and was surprised at the phenomenal
growth and prosperity of that town. He
says it is a fine farming country and as
evidence saw two bales of this year's
cotton being shipped to Columbus.

Mr. Jno. J. Long of Itabena, was in
the city several days this week. Mr.
Long informed us that the cotton crop

TEST THIS Boy's All Wool Suit

Boy's All Wool Hercules
Shower Proof Suit.

Just give the age of your boy and
address and we will send you a
"HERCULES." After you have
examined it thoroughly, tested the
material, the workmanship and
every stitch and seam, you will

\$5.00

If you think the suit is worth it. If
you don't think it is, return it at our
expense. We make this offer to
convince you that the Hercules is
the strongest made, longest wear-
ing boy's suit that can be sold for

\$5.00.

We also want to convince you that
by buying a Hercules you will save
at least \$5.00 to \$15.00 a year on
your boy's clothes.

"Hercules" fabrics are all wool, absolutely free from mercerized
cotton. That's certainly one strong point of superiority when you re-
member that all the imitations of the "Hercules" and even many suits
sold for \$7 and \$8 are made of mercerized cotton fabrics 35 to 50 per cent.
cheaper in price and quality.

Hercules all wool fabrics always keep their color as long as there
is anything left of the fabric, but a mercerized fabric fades quickly and
besides it will give only half the service. By means of special process
of their own, Daube, Cahn & Co. have made "Hercules" fabrics shower
proof just like a man's rain coat, also moth proof, perspiration proof,
hygienic and sanitary.

The coat is full lined with double warped Italian cloth and there are
two sleeve linings right where the wear is most severe, (patent applied
for). When the first wears out, tear it off, the second lining is ready for
immediate service. The pants are full lined with cold shrunk Irish linen.
This durable lining keeps the pants in shape and doubles the wear in
seat and knees, all the pants seams are covered with strong linen tape—
"Hercules" seams will never break. The button holes are silk sewed
and buttons securely sewed with best linen thread. Exceptional waist-
band of elastic webbing. Unshrinkable material used throughout.

"Hercules" All Wool Shower Proof Suits are made only in \$5.00 two
piece suits knee pants 6 to 16 years for boys. No more and no less.

We want every mother who has a boy to clothes (especially those
who have despaired of ever finding a boy's suit that will give satisfac-
tory service) to try one of our "HERCULES" we have the exclusive
agency.

To Owners of Pianos and Organs.

Owing to the circumstances over
which I have no control, I will make
Macon my home for an indefinite period.
I would like to call the attention of
those who possess either a piano or
organ, that it is poor economy in allow-
ing a piano or organ to remain perhaps
for two or three years without the
proper attention of an expert tuner and
repairer. The undersigned has been
engaged for twenty or more years in
this class of work, and will guarantee
satisfaction for all work that is done.
Having had experience in shop work,
there are no repairs that can be done out
side of a shop, that will be neglected.

Few realize the completeness of our stock, but it is seldom
a customer goes out of our store without having in his pos-

Remember we are not burdened with an expensive rent,
conducting our business on a small expense account and buy-
